

SUBJECT: MASTER - Technical Specification	DOC ID:	HBCP/COMP/FORM23
	Revision:	6
	Date:	Oct-20
	Author:	Nicola Rutherford

PRODUCT SPECIFICATION

Product Code	HBCP0006A
Description	Large Taste HB 185x125x60 (Win/Opt Vents)
Authorised by:	Nicola Rutherford (Technical Manager)
Date completed:	18/03/2022

Product specification:

Material description (papers):		Coating / Print
Inside		Bleached PET
Flute 0		Bleached Kraft
Centre Sheet		
Flute 1		
Outside		Unbleached Grease-resistant
Total TARGET piece weight (+/- 5%) [g]	25.4	
Flute profile	D/F E Flute	
Caliper (+/- 0.05mm)	1.45mm	
Length base (+/- 0.5mm)	125	
Width base (+/- 0.5mm)	185	
Height (+/- 0.5mm)	60	
Patched specification	36 micron anti-mist PET	

Packing Details:

Pieces per case	180
Liner Bag colour	Blue
Liner Bag size [mm]	600mm X 280mm X 1170mm
Liner Bag weight [kg]	0.0521
Number of Liner Bags required	1
Liner Bag - Inner label required [Y/N]	No
Liner Bag Type/Material	20 Micron (70% HDPE/30% LDPE) Virgin Food Grade
Case type	HBCP5 Taste
Case dimensions EXTERNAL (l x w x h) [mm]	600x500x521
Case weight [g]	916
Gross Weight per Case [Kg]	5.5401
Cases per pallet	8
Boxes per layer	4
Number of Layers	2
Pallet type (Pallets can be double stacked)	1200 X 1000 x 135 - STANDARD HBCP
Pallet Height (within slight tolerance)	1169
Weight of Pallet [Kg]	15
Weight of Shrink Wrap Per Pallet: [Kg]	0.5
Gross Weight per Pallet (including Pallet) [Kg]	59.8208

Specifications:

Recycled Content (approx.)	0%
Recyclability (OPRL guidance)* *Remove food and flatten packaging to recycle	Remove separate film piece and Recycle
Product Certification	Manufactured from Managed Sustainable Forests
Shelf Life / Storage Conditions	12 months if in sealed boxes and dry ambient conditions
Conditions of use. (Check DoC for specific requirements)	Suitable for freezing - down to minus 20 degrees C Food safe - Ovenable (& Microwaveable) up to 220°C for 30 minutes

Product traceability is by virtue of the unique works order number (JB) which is printed on the case label. Paper-based products should be stored undercover in dry, clean conditions. Customers should test stock older than the specified shelf life for suitability.

This product complies with all aspects of the current European regulation and, where applicable, other relevant legislation. Huhtamaki BCP Ltd reserves the right to amend specifications where necessary. The Customer's agreement to the content of this specification is implied upon purchase of the product. The Customer is responsible for determining whether products and the information in this document are technically appropriate for the Customer's use, through appropriate product testing.
