CUSTOMER TECHNICAL SPECIFICATION

Thermoformed Product Information			
Part Number	10085314	Product Description	Deep Roll
Material	RPET	Shape	Rectangular
Customer Part No.		Material Gauge (μ)	350

Product		Pack		Pallet	
Colour	Clear	Stack Count	50	Packs per layer	5
Material Reference	RF100	Stacks per pack	6	Layers per pallet	4
Weight (g) (+/-10%)	18.00	Pack Plus (Layer on Top)	0	Pallet Quantity	6000
Flange size (± 1mm)	6	Pack quantity	300	Pallet Type	Standard
Length (mm) (± 1mm)	275.2	Carton Type	K2C	Pallet weight (Kg)	20
Width (mm) (± 1mm)	139.4	Carton Weight (g)	636	Length (mm)	1200
Depth (mm) (± 1mm)	66.3	Length (mm)	585	Width (mm)	1000
Diameter (mm) (± 1mm)	N/A	Width (mm)	389	Height (mm)	120
		Height (mm)	490	Weight of Full Pallet (kg)	140.72
		Weight of Full Carton (kg)	6.04	Height of Full Pallet (mm)	2080
Anti nesting agent	Silicon	Material (inner)	MDPE	Pallet Material	Wood
		Material (outer)	Cardboard	Pallet wrap	Stretch
		Closure	Tape		

General Usage Instruction
This Product is for single use only, it should not be placed on hot surfaces over 95°C and cannot be used under infra-red lamps, in a conventional oven or microwave and should not be used for cooking food in.

Warning
This product cannot be used in a conventional oven and should not be used for cooking in. This product has not been tested for use as a food container for microwave or cooking applications or for use in a blast chill.

Storage Instruction
The product should be kept in its original packaging until required. The atmosphere should be maintained to provide good ventilation and Ideally at a temperature between 5°c and 30°c Avoid exposure to heat sources such as hot radiators, direct sunlight, excessive moisture or humidity. Sustained quality based on ideal storage conditions; at 10°c indefinitely.

Recycling Information
The packaging can be recovered where facilities exist for recycling or incineration with energy recovery.
The packing is widely recycled at local facilities.

Material Content
We can confirm that Shalam Thermoforming (UK) Limited clear PET complies with UK legislation regarding the minimum PCW included in our products.
Our Rpet is made up of post-consumer waste and internal rework and undergoes miration testing in accordance eith (EU) No 10/2011 (32)
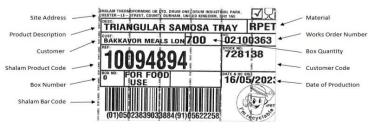

Food Contact Status
Product complies with all relevant EU Materials and Articles in contact with Food Regulations and directives. A declaration of Compliance is available on request.

Traceability Information
